SECTION III - Form of Payment

You may elect to receive your benefits under one of the following forms of payment. Please elect the form of payment you desire by checking the applicable box below:

1. **Spouse's Joint and 50% to Survivor Life Annuity** - I have a spouse to whom I am lawfully married and want my pension paid to me under this form of payment. I will receive a reduced monthly pension benefit during my lifetime, with the provision that if I am survived by my spouse, she or he will receive 50% of such reduced monthly pension benefit for the remainder of her or his lifetime. The reduction in my monthly pension benefit depends on my age and my spouse's age. If there is five or less years of difference in our ages, the reduction will be 10% (20% if I am applying for Disability Retirement) and will be increased (decreased) by .5% for each additional year that my spouse is younger (older) than me. Should my spouse predecease me, my monthly pension benefit will be increased to the amount payable to me under the Full Life Annuity Form of payment.

2. **Spouse's Joint and 75% to Survivor Life Annuity** - I have a spouse to whom I am lawfully married and want my pension paid to me under this form of payment. I will receive a reduced monthly pension benefit during my lifetime, with the provision that if I am survived by my spouse, she or he will receive 75% of such reduced monthly pension benefit for the remainder of her or his lifetime. The reduction in my monthly pension benefit depends on my age and my spouse's age. If there is less than one year difference in our ages, the reduction will be 15% (25% if I am applying for Disability Retirement) and will be increased (decreased) by .5% for each additional year that my spouse is younger (older) than me. Should my spouse predecease me, my monthly pension benefit will be increased to the amount payable to me under the Full Life Annuity Form of payment.

3. **Spouse's Joint and 100% to Survivor Life Annuity** - I have a spouse to whom I am lawfully married and want my pension paid to me under this form of payment. I will receive a reduced monthly pension benefit during my lifetime, with the provision that if I am survived by my spouse, she or he will receive 100% of such reduced monthly pension benefit for the remainder of her or his lifetime. The reduction in my monthly pension benefit depends on my age and my spouse's age. If there is less than one year difference in our ages, the reduction will be 20% and will be increased (decreased) by .6% for each additional year that my spouse is younger (older) than me. Should my spouse predecease me, my monthly pension benefit will be increased to the amount payable to me under the Full Life Annuity Form of payment. I may not elect this form of payment if I am applying for Disability Retirement.

4. **Full Life Annuity With 60 Payments Guaranteed** - I elect to receive my pension payments for my lifetime with the provision that, if I die before I have received at least 60 monthly payments, the payments will continue to my Beneficiary until a total of 60 monthly payments have been made to me and my Beneficiary.

All forms of benefit are approximately equal in value. This relative value comparison is made by converting the value of the optional forms to the single life annuity form using interest and life expectancy assumptions. While all comparisons are based on average life expectancies, the relative value of payments ultimately made under an optional form will depend on actual longevity. Current actuarial assumptions used to calculate the relative value of optional forms of benefits will be provided upon your request.
