PLUMBERS & PIPEFITTERS LOCAL UNION 9 WELFARE FUND

Effective November 1, 2017

ELIGIBILITY RULES

You will become eligible to receive benefits on the first day of the second month that follows an employment period of not more than 12 consecutive months during which you have been credited with 1,400 hours of service (250 hours for apprentices). Upon satisfying this requirement, you will remain eligible for at least one year.

If You Have 1400 Hours (250 Hours for Apprentices) During the Prior:	You Will Become Eligible:
December through November	January 1
January through December	February 1
February through January	March 1
March through February	April 1
April through March	May 1
May through April	June 1
June through May	July 1
July through June	August 1
August through July	September 1
September through August	October 1
October through September	November 1
November through October	December 1

Under certain conditions, employees of newly organized employers become initially eligible on the first day of the second calendar month following the completion of 250 hours of service.

To maintain your eligibility thereafter, you must have at least 350 hours of service each calendar quarter. Your eligibility will terminate on the last day of the second month following the calendar quarter during which you fail to receive credit for at least 350 hours.

If You Have Less Than 350 Hours of Credit Between:	Your Eligibility Will Terminate On:
January 1 – March 31	May 31
April 1 – June 30	August 31
July 1 – September 30	November 30
October 1 – December 31	February 28 (29)

Hours of service in excess of the hours required to establish and maintain eligibility will be placed in a reserve and will accumulate up to a maximum of 700 hours. This reserve will be drawn upon to maintain your eligibility if you should fail to receive credit for at least 350 hours of service during a subsequent calendar quarter.

If you become disabled while eligible, you will be credited with 27 disability hours for each week that you are disabled up to a maximum of 700 hours for any one continuous period of disability.

Should your eligibility terminate, it will be reinstated provided you are credited with at least 350 hours of service during a calendar quarter which ends within 10 months after your eligibility terminated. Your eligibility will reinstate on the first day of the second month following that calendar quarter during which you meet this 350 hour requirement. If you do not satisfy this reinstatement provision, you will be treated as a new employee and will be subject to the 1,400 hour requirement for initial eligibility outlined above.

Termination Date:	Period of Time to Work a Total of 350 Hours (Plus any Remaining Reserve Hours) To Reinstatement:
February 28 (29)	October 1 of the prior year – December 31
May 31	January 1 – March 31 of the next year
August 31	April 1 – June 30 of the next year
November 30	July 1 – September 30 of the next year

Your eligibility will reinstate on the first day of the second month following that calendar quarter during which you meet this 350 hour requirement.

January 1 – March 31	May 1
April 1 – June 30	August 1
July 1 – September 30	November 1
October 1 – December 31	February 1

SELF-PAY PROVISION

A self-pay option is available to employees who terminate coverage and who missed maintaining their eligibility by **100 hours or less**. In this event, you have the opportunity to make contributions on your own behalf to the Welfare Fund for the hours necessary to meet the 350 hour requirement at the normal employer hourly contribution rate. For example, if you have 150 hours of service during a calendar quarter, and you have 110 remaining reserve hours, you will have a total of 260 hours towards the requirement of 350 hours leaving you short of the requirement by 90 hours. In this situation, you would be permitted to make a contribution on your own behalf for the 90 hours at the hourly employer contribution rate, to maintain your eligibility for an additional three (3) months.

ELIGIBILITY RULES - RETIRED EMPLOYEES

Following your retirement, you will be eligible for retiree benefits provided all the following requirements are satisfied:

- ◆ You are eligible for benefits under the Welfare Fund as an active employee at the time of your retirement and have been eligible as an active employee for at least 12 of the 15 years prior to your retirement.
- ◆ You are receiving a retirement benefit from the Plumbers & Pipefitters Local Union 9 Pension Fund and have earned at least 12 years of credited service under the Plumbers & Pipefitters Local Union 9 Pension Plan.
- ◆ The total of your age last birthday and combined years of pension Credited Service in the Plumbers & Pipefitters Local Union 9 Pension Fund and the Plumbers and Pipefitters National Pension Fund is at least 85 ("Rule of 85"), or you are receiving a disability retirement pension benefit.
- ◆ You make the required contributions in the amount established by the Trustees. The required contribution for retirees over age 65, or those receiving disability retirement benefits from the Local 9 Pension Fund, is 8% of the retiree's monthly pension benefit with a minimum required contribution of \$100 per month. The required contribution for retirees age 62 to 64 is \$300 per month for a retiree with no dependents; \$450 per month for a retiree with a spouse who is Medicare eligible; or \$600 per month for a retiree with a spouse who is not Medicare eligible. The required contribution for early retirees under age 62 is \$591.00 for a retiree with no dependents; \$886.50 for a retiree with one or more children; or \$1,182.00 for a retiree with a family.
- ◆ Eligible retirees covered under other group insurance coverage may elect to waive coverage with a one-time opportunity to re-enter the Plan on a subsequent January 1st.

If you retire and are eligible for the supplemental early retirement benefit under the Local 9 Pension Fund, your accumulated reserve hours will be canceled.

The health insurance provided under the Welfare Fund is secondary to Medicare (Part A and Part B). Do not refuse Medicare Part B coverage when it is offered to you or your eligible dependent(s). While Medicare will charge for Part B coverage, the Welfare Fund assumes that you and your eligible dependent(s) have this coverage even if it is rejected. In general, individuals become eligible for Medicare on the first day of the month upon attainment of age 65, or 24 months after becoming eligible for Social Security Disability benefits, if earlier.

Understanding the Prescription Drug Formulary

The drug formulary utilized by the Welfare Fund is a list of medications published by the Welfare Fund's Pharmacy Benefit Managers. Medications on the list fall into one of the four categories:

Generic Drugs – A FDA approved drug, composed of virtually the same chemical formula as a brand-name drug.

Preferred Brand Name - If a generic medication is not available for your condition, your doctor may prescribe a brand-name medication. Preferred Brand Drugs have been evaluated by physicians and pharmacists at the Pharmacy Benefit Manager and are deemed to be the most cost-effective way to treat a specific condition. These are covered at a slightly higher cost to you than generic drugs but at a lesser cost than the Non-Preferred Brand Drug.

Non-Preferred Brand Drugs - In the event you require a prescription medication that is neither generic nor on the Preferred Brand Drug list, you will pay the highest out-of pocket cost for a Non-Preferred Brand Drug.

Specialty Drugs – Prescription medications that require special handling, administration or monitoring. These drugs are used to treat complex, chronic and often costly conditions such as multiple sclerosis, rheumatoid arthritis, hepatitis C and hemophilia.
