QUICK REFERENCE GUIDE

FOR RESIDENTIAL EMPLOYEES – PLAN B

EFFECTIVE: APRIL 1, 2024

Important Notice: This is an outline of the principal plan provisions of the Plumbers & Pipefitters Local Union 9 Welfare and Surety Plans and is not intended to completely describe the Plan provisions. In the event of any discrepancy between this outline and the Plans, the Plan Documents shall govern. For further information, please review your Summary Plan Description or contact the office of the Administrator, I. E. Shaffer & Co., at P. O. Box 1028, Trenton, NJ 08628. Telephone 1-800-792-3666.

PLUMBERS & PIPEFITTERS LOCAL UNION 9 WELFARE FUND – PLAN B

RESIDENTIAL EMPLOYEES

Effective July 1, 2023

TYPES OF COVERAGE

Upon the employee's initial employment, they must notify the employer of the type of Welfare Fund coverage they wish to have. The choices are either Single Coverage, Family Coverage, Employee & Spouse Coverage, Employee & Child(ren) Coverage, or you can decline coverage. The required Welfare Fund Journeyman contribution rates are based on the type of coverage selected as follows:

- Family $13.89 per hour
- Employee & Child(ren) or Employee & Spouse $10.42 per hour
- Single $6.95 per hour
- Decline $4.63 per hour

Participants who elect a coverage type other than Family can redirect the difference between the family rate and the rate selected to one of three arrangements:

1. All of the savings can be added to the employee's hourly wage
2. All of the savings can be added to the Surety Fund contribution rate
3. All of the savings can be split 50% each to the wage and Surety Fund

HOW TO CHANGE THE TYPE OF COVERAGE YOU HAVE SELECTED

OPEN ENROLLMENT:
Participants will be notified by November 1st of each year regarding Open Enrollment during which they will be able to change their coverage selection for the upcoming year if they wish to do so.

SPECIAL ENROLLMENT PERIOD:
An employee must file a new enrollment card with the Fund Office within 30 days of marriage, the birth of a child or adoption of a child. The effective date of coverage as the result of such an event shall be:

- the date of the marriage
- the date of a dependent's birth
- the date of adoption

All of the above will require the submission of the required documents such as a marriage certificate, birth certificate or adoption certificate.

Participants or their dependents who did not initially enroll for coverage due to other coverage may request to be covered by this plan if they are no longer eligible for the other coverage. This option will be granted if the loss of eligibility is related to:

- Termination of the other coverage
- End of employer contributions towards the other coverage
- Legal separation or divorce
- Termination of the other employment or reduction in the number of hours
- Death of covered person

The employee or dependent must request the special enrollment no later than 30 days from the date of loss of other coverage. The effective date of coverage through the Welfare Fund will be the first day of the first calendar month following the Fund Office's receipt of the completed enrollment form.

ELIGIBILITY RULES

As a Residential Employee, you will become eligible to receive benefits on the first day of the second calendar month that follows the completion of at least 350 hours of service within a period of not more than 12 consecutive calendar months.

If You Have 350 Hours During the Prior:	You Will Become Eligible:
December through November	January 1
January through December	February 1
February through January	March 1
March through February	April 1
April through March	May 1
May through April	June 1
June through May	July 1
July through June	August 1
August through July	September 1
September through August	October 1
October through September	November 1
November through October	December 1

To maintain your eligibility thereafter, you must have at least 350 hours of service each calendar quarter. Your eligibility will terminate on the last day of the second month following the calendar quarter during which you fail to receive credit for at least 350 hours.

If You Have Less Than 350 Hours of Credit Between:	Your Eligibility Will Terminate On:
January 1 – March 31	May 31
April 1 – June 30	August 31
July 1 – September 30	November 30
October 1 – December 31	February 28 (29)

Hours of service in excess of the hours required to establish and maintain eligibility will be placed in a reserve and will accumulate up to a maximum of 350 hours. This reserve will be drawn upon to maintain your eligibility if you should fail to receive credit for at least 350 hours of service during a subsequent calendar quarter.

If you become disabled while eligible, you will be credited with 27 disability hours for each week that you are disabled up to a maximum of 700 hours for any one continuous period of disability.

Should your eligibility terminate, it will be reinstated provided you are credited with at least 350 hours of service during a calendar quarter which ends within 10 months after your eligibility terminated. Your eligibility will reinstate on the first day of the second month following that calendar quarter during which you meet this 350 hour requirement.

Termination Date:	Period of Time to Work a Total of 350 Hours (Plus any Remaining Reserve Hours) To Reinstate:
February 28 (29)	January 1 – December 31
May 31	April 1 – March 31 of the next year
August 31	July 1 – June 30 of the next year
November 30	October 1 – September 30 of the next year

Your eligibility will reinstate on the first day of the second month following that calendar quarter during which you meet this 350 hour requirement.

If You Are Credited with Your Required 350th Hour to Reinstate Between:	**Your Eligibility Will Reinstate On:**
January 1 – March 31	May 1
April 1 – June 30	August 1
July 1 – September 30	November 1
October 1 – December 31	February 1

SELF-PAY PROVISION

A self-pay option is available to employees who are subject to termination as a result of failing to meet the quarterly eligibility requirement by 100 hours or less. In this event, you have the opportunity to make contributions on your own behalf to the Welfare Fund for the hours necessary to meet the 350 hour requirement at the normal employer hourly contribution rate. For example, if you have 150 hours of service during a calendar quarter, and you have 110 remaining reserve hours, you will have a total of 260 hours towards the requirement of 350 hours leaving you short of the requirement by 90 hours. In this situation, you would be permitted to make a contribution on your own behalf for the 90 hours at the hourly employer contribution rate, to maintain your eligibility for an additional three (3) months.

COBRA

Following your retirement or if you fail to satisfy the above requirements and lose eligibility, you and your dependents may continue coverage under COBRA for up to 18 months (29 months if you are totally disabled). If your dependent loses eligibility due to your death, divorce or legal separation, or your child ceasing to satisfy the definition of an eligible dependent, they may continue coverage under COBRA for up to 36 months. Your accumulated reserve hours will be applied before self-pay is required. The current monthly self-pay rates for the full plan under COBRA are:

	Employees Not Available or not Working in the Industry	Employees Available or Working in the Industry
Single	$ 685.00	$ 490.00
Parent/Child(ren)	$1,030.00	$ 730.00
Family	$1,370.00	$ 975.00

ELIGIBILITY RULES – DEPENDENTS

1. The spouse of the employee under a legally valid existing marriage under the laws of the state where the covered employee lives.

2. The employee's natural child, stepchild, legally adopted child, foster child or legal ward **provided the child has not reached the end of the month in which he or she turns 26 years of age**.

3. Any other child of an employee or their spouse who is recognized in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) which has been issued by any court judgement, decree, or order as being entitled to enrollment for coverage under the Plan, even if the child is not residing in the employee's household.

4. Adopted children, who are less than 18 years of age at the time of adoption, shall be considered eligible from the date the child is placed for adoption.

5. A child who is unmarried, incapable of self-sustaining employment and dependent upon the employee for support due to mental retardation and/or physical disability, and who was covered under the Plan prior to reaching the maximum age limit or other loss of dependent's eligibility, will remain eligible for coverage under this Plan beyond the date coverage would otherwise be lost.

The Fund will require proof of dependent status.

DEPENDENT COVERAGE IN THE EVENT OF YOUR DEATH

Spouse and dependent children of a participant who was eligible for ACTIVE coverage (not on COBRA) at the time of death:

Following your death, your surviving spouse and dependent children will remain eligible for health benefits until the earliest of the following dates:

1. The last day of a period of 12 months following your death or to the extent that your reserve hours are sufficient to maintain your eligibility, whichever is longer. Your surviving spouse and dependent children are covered at no cost for this 12 month period.
2. The date your surviving spouse remarries.
3. The date your surviving spouse becomes eligible for health benefits under another group plan.

4. The date your dependent children cease to meet the definition of eligible dependent under the Plan (i.e. attaining the maximum age).

Surviving spouses of active participants may continue coverage for an indefinite period of time at the current COBRA rates for themselves and/or your dependent children. In the case of a surviving spouse who is Medicare Primary, the monthly premium is $394.00. If your spouse remarries, the self-pay privilege ends at the end of a maximum 36 month period or date of marriage, if later.

Should there only be dependent children surviving (no spouse) after the 1 year of guaranteed coverage, the dependent children would be able to continue the coverage for up to 36 additional months under COBRA.

Your doctor's office will work directly with Horizon, Evicore/TurningPoint to obtain prior authorizations when applicable.

In-Network Only

The medical coverage provided under the Plan is **in-network only**.

How to Find a Horizon Blue Cross Blue Shield of New Jersey Healthcare Provider

- Visit www.HorizonBlue.com and click "Find a Doctor" and then "Continue as Guest". Select Medical or Behavioral Health if within NJ. Select "Direct Access" for the plan and then enter the city/state or zip code you are seeking and click "Search". If outside NJ, use "Search Nationally" tab. Choose "Location" tab and follow prompts similarly.
- Call I.E. Shaffer & Co. at 1-800-792-3666
- Confirm with your treating physician, hospital, lab or other provider prior to services.

Horizon Care Navigator

(Available to Active and Retired Non-Medicare Eligible Participants and Covered Dependents)

If you have an acute or chronic condition, or need help understanding a new diagnosis, your dedicated Horizon Blue Cross Blue Shield Care Navigator, who is a **Registered Nurse**, can help by:

- Monitoring your medical situation and working with your doctors and caregivers to help manage your health needs
- Talking to you about your health and possible ways to improve it
- Connecting you with other health professionals, including registered dietitian and behavioral health specialist.

Participation in the program is free and voluntary. To speak with your Horizon Care Navigator, call **1-888-621-5894**, option **2**, followed by option **3** weekdays, between 8am and 5pm Eastern Time.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider you did not elect at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit. This Plan does NOT provide elective out-of-network benefits, meaning if you elect to have care with an out-of-network provider, the Plan may not pay for such services.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in- network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition **unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.**

Federal Law

The Consolidated Appropriations Act, 2021 (CAA) was signed into law on December 27, 2020. The CAA includes a provision known as the No Surprises Act. No Surprises Act opens a dialog window , which establishes protections from surprise billing, effective January 1, 2022. The No Surprises Act offers protections that are similar to the New Jersey OON Mandate and applies to those surprise bills not subject to the New Jersey OON Mandate, including bills for care provided outside of New Jersey and air ambulance services, if air ambulance is a covered benefit under a health plan's contract.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers can't balance bill you and may not ask you to give up your protections not to be balance billed. If you get other types of services at these in-network facilities, out-of-network providers can't balance bill you unless you give written consent and give up your protections.

You're <u>never</u> required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network to avoid balance billing.

<u>When balance billing isn't allowed, you also have these protections:</u>

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

- Generally, your health plan must:
    - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
    - Cover emergency services by out-of-network providers.
    - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
    - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed or have questions, please contact I.E. Shaffer & Co. and ask to speak with the Manager of the Claims Department at (609)-718-6147.

You may visit *www.cms.gov/nosurprises/consumers* for more information about your rights under federal law.

Understanding the Prescription Drug Formulary

The drug formulary utilized by the Welfare Fund is a list of medications published by the Welfare Fund's Pharmacy Benefit Managers. Medications on the list fall into one of the four categories:

Generic Drugs – Generic drugs are the un-branded form of a prescription medication. They use the same active ingredients as brand name drugs and work the same way. The FDA puts all generic drugs through a rigorous, multi-step process to ensure that they are the therapeutic equivalent of their brand name counterparts. That means that a generic drug can be substituted for a brand name drug, and it will produce the same clinical effect while meeting the same safety profile as the brand name drug.

Preferred Brand Name - These brand-name drugs have been identified as the most therapeutically safe and effective options for treatment of most medical conditions. These drugs do not have less-costly generic equivalents because they are sold under a trademarked name.

Non-Preferred Brand Drugs - These products often have either a generic equivalent or a preferred-brand drug alternative.

Specialty Drugs – Specialty pharmaceuticals is a class of prescription drugs that are typically produced through biotechnology (sometimes known as biologicals) and require special patient monitoring and handling, in addition also require unique education prior to use.
